Subject: draft neighborhood sampling fact sheet

Hi –

Please see the attached **DRAFT** fact sheet. Note that the map is a placeholder and I'm wondering whether you would prepare a better map using what you provided in the draft air sampling report as a base and then drawing an outline around the study area.

Please provide me with any comments you may have.

We are stuck with the fact sheet format.

Also, If you can locate the NY state fact sheets you mentioned on the call, I'd like to see them.

Thanks.

Carolyn
